3. POLICY PRINCIPLES

- 3.1 Rates are levied in accordance with the Act as an amount in the rand based on the market value of all rateable property contained in the municipality's valuation roll and supplementary valuation roll.
- 3.2 As allowed for in the Act, the municipality has chosen to differentiate between various categories of property and categories of owners of property as contemplated in clause 7 and 8 of this policy. Some categories of property and categories of owners are granted relief from rates. The municipality however does not grant relief in respect of payments for rates to any category of owners or properties, or to owners of properties on an individual basis.
- 3.3 There would be no phasing in of rates based on the new valuation roll, except as prescribed by legislation and in accordance with clause 16 of this policy.
- 3.4 In accordance with section 3(3) of the Act, the rates policy for the municipality is based on the following principles:
- (a) Equity
The municipality will treat all ratepayers with similar properties the same.
 - (b) Affordability
The ability of a person to pay rates will be taken into account by the municipality. In dealing with the poor/indigent ratepayers the municipality will provide relief measures through exemptions, reductions, rebates and cross subsidy from the equitable share allocation.
 - (c) Sustainability
Rating of property will be implemented in a way that it:-
 - i. Supports sustainable local government by providing a stable and buoyant revenue source within the discretionary control of the municipality;
 - ii. Supports local, social and economic development; and
 - iii. Secures the economic sustainability of every category of ratepayer.

(d) Cost efficiency

Rates will be based on the value of all rateable property and will be used to fund community and subsidised services after taking into account profits generated on trading (water, electricity) and economic (refuse removal, sewerage disposal) services and the amounts required to finance exemptions, rebates, reductions and phasing-in of rates as approved by the municipality from time to time.

4. SCOPE OF THE POLICY

- 4.1 This policy document guides the annual setting (or revision) of property rates tariffs. It does not necessarily make specific property rates tariff proposals. Details pertaining to the applications of the various property rates tariffs are annually published in the Provincial Gazette and the municipality's schedule of tariffs, which must be read in conjunction with this policy.

5. APPLICATION OF THE POLICY

- 5.1 In imposing the rate in the rand for each annual operating budget component, the municipality shall grant exemptions, rebates and reductions to the categories of properties and categories of owners as allowed for in this policy document.

6. PRINCIPLES APPLICABLE TO FINANCING OF SERVICES

- 6.1 The municipal manager or his/her nominee must, subject to the guidelines provided by the National Treasury and the Executive Committee of the municipality, make provision for the following classification of services:-

(a) Trading services

- i. Water

(b) Economic services

- i. Refuse removal.
ii. Sewerage disposal.

(c) Community and subsidised services

These include all those services ordinarily being rendered by the municipality excluding those mentioned in 6.1 (a) and (b).

-
- 6.2 Trading and economic services as referred to in clauses (a) and (b) must be ring fenced and financed from service charges while community and subsidised services referred to in clause (c) will be financed from surpluses on trading and economic services, regulatory fees, rates and rates related income.

7. CATEGORIES OF PROPERTY

- 7.1 Subject to section 19 of the Act, Mafube Municipality may, in terms of the criteria set out in its rates policy, levy different rates for different categories of rateable properties, which may include categories determined according to the: –

12.1.1 Partial or total destruction of a property.

12.1.2 Disasters as defined in the Disaster Management Act, 2002 (Act 57 of 2002).

12.2 The following conditions shall be applicable in respect of clause 12.1:-

12.2.1 The owner referred to in clause 12.1.1 shall apply in writing for a reduction and the onus will rest on such applicant to prove to the satisfaction of the municipality that his property has been totally or partially destroyed. He/ she will also have to indicate to what extent the property can still be used and the impact on the value of the property.

12.2.2 Property owners will only qualify for a rebate if affected by a disaster as referred to in the Disaster Management Act, 2002 (Act No. 57 of 2002).

12.2.4 An ad-hoc reduction will not be given for a period in excess of 6 months, unless the municipality gives further extension on application.

12.2.5 If rates were paid in advance prior to granting of a reduction the municipality will give credit to such an owner as from the date of reduction until the date of lapse of the reduction or the end of the period for which payment was made whichever occurs first.

13. REBATES

13.1. Categories of property

(a) Business, commercial and industrial properties

- i. The municipality may grant rebates to rateable enterprises that promote local, social and economic development in its area of jurisdiction. The following criteria will apply:-
 - a. job creation in the municipal area;
 - b. social upliftment of the local community; and
 - c. creation of infrastructure for the benefit of the community.
- ii. A maximum rebate as annually determined by the municipality will be granted on approval, subject to:-
 - a. a business plan issued by the directors of the company indicating how the local, social and economic development objectives of the municipality are going to be met;
 - b. a continuation plan issued by the directors and certified by auditors of the company stating that the objectives have been met in the first year after establishment and how the company plan to continue to meet the objectives; and
 - c. an assessment by the municipal manager or his/her nominee indicating that the company qualifies.

-
- iii. Council will consider all LED requests on an individual basis according to merits.
 - iv. New development will get and rebate with the condition that they must develop it 3 years

(b) Privately owned towns serviced by the owner

The municipality grants an additional rebate, to be determined on an annual basis, which applies to privately owned towns serviced by the owner qualifying as defined in clause 2.13 of this policy. All applications must be addressed in writing to the municipality by 31 August for the financial year in respect of which the rate is levied. If the rebate applied for is granted the rebate will apply for the full financial year. Applications received after 31 August for the financial year in respect of which the application is made will only be applied for the remainder of that financial year if approved. For the 2011/2012 financial year the rebate is determined as 20%.

(c) Agricultural property rebate

- i. When considering the criteria to be applied in respect of any exemptions, rebates and reductions on any properties used for agricultural purposes the municipality must take into account:-
 - a. the extent of rates related services rendered by the municipality in respect of such properties.
 - b. the contribution of agriculture to the local economy.
 - c. the extent to which agriculture assists in meeting the service delivery and developmental objectives of the municipality; and
 - d. the contribution of agriculture to the social and economic welfare of farm workers.
- ii. In terms of section 84 of the Act the Minister for Provincial and Local Government, and in concurrence with the Minister of Finance as required through section 19 of the Act, may determine that a rate levied by the Council on a category of non residential property may not exceed the ratio to the rate on residential property. In the absence of any such promulgation the municipality will apply the standard ratio for agricultural properties as 1:0.25 (75% rebate on the tariff for residential properties). For the 2025/26 financial year the minister has promulgated a ratio of 1:0.25 which remains unchanged for the 2027/28 financial year.
- iii. The granting of additional rebates is subject to the following:-
 - a. All applications must be addressed in writing to the municipality indicating how service delivery and development obligations of the municipality and contribution to the social and economic welfare of farm workers were met. This application will be required as a once-off requirement.
 - b. Any new applications must be addressed in writing to the municipality by 31 August

-
- of the financial year in respect of which the application is made. If the rebate applied for is granted the rebate will apply for the full financial year and such application will again be regarded as a once-off requirement. Applications received after 31 August for the financial year in respect of which the application is made will only be applied for the remainder of that financial year if approved.
- c. Council reserves the right to send officials or its agents on an annual basis to premises/households receiving relief for the purposes of conducting an on-site audit of the details supplied. The onus also rests on recipients to immediately notify Council of any changes in their original applications.
 - d. The municipality retains the right to refuse applications for rebates if the details supplied in the application form were incomplete, incorrect or false.
 - v. No other rebates will be granted to properties that qualify for the agricultural rebate. For the avoidance of doubt, properties that qualify for the agricultural rebate will not be entitled to the residential rate exemption as set out in clause 11.1(b) of this policy.

13.2 Categories of owners

Indigent owners and child headed families will receive a 100% rebate from payment of property tax:-

(a) Indigent owners

Owners who qualify and who are registered as indigents in terms of the adopted indigent policy of the municipality. If qualifying in terms of the indigent policy this 100% rebate will automatically apply and no further application is thus required.

(b) Child headed families

- i. Families headed by children will receive a 100% rebate for paying property tax, according to monthly household income. To qualify for this rebate the head of the family must:-
 - a. occupy the property as his/her normal residence;
 - b. not be older than 18 years of age;
 - c. still be a scholar or jobless; and
 - d. be in receipt of a total monthly income from all sources not exceeding an amount to be determined annually by the Municipality. For the 2025/2026 financial year this amount is determined as R4 200 per month.
- ii. The family head must apply on a prescribed application form for registration as a child headed household and must be assisted by the municipality with completion of the

application form. If qualifying, this rebate will automatically apply and no further application is thus required.

(c) Retired and Disabled Persons Rate Rebate

- i. Retired and Disabled Persons, not registered as indigents, qualify for special rebates according to monthly household income. To qualify for the rebate a property owner must:-

 - b. be at least 60 years of age or in receipt of a disability pension from the Department of Welfare and Population Development;
 - c. be in receipt of a total monthly income from all sources as annually determined by the municipality (including income of spouses of owner);
 - d. not be the owner of more than one property; and
 - e. provided that where the owner is unable to occupy the property due to no fault of his/her own, the spouse or minor children may satisfy the occupancy requirement.
- ii. Property owners must apply on a prescribed application form for a rebate as determined by the municipality. Applications must be accompanied by-
 - a. a certified copy of the identity document or any other proof of the owners age which is acceptable to the municipality;
 - b. sufficient proof of income of the owner and his/her spouse;
 - c. an affidavit from the owner;
 - d. if the owner is a disabled person proof of a disability pension payable by the state must be supplied; and
 - e. if the owner has retired at an earlier stage for medical reasons proof thereof must be submitted.
- iii. All applications must be addressed in writing to the municipality by 31 August for the financial year in respect of which the rate is levied. If the rebate applied for is granted, the rebate will apply for the full financial year. For the 2026/2027 financial year the total monthly income and corresponding rebate is determined as follows:-
 - a. R0 to R4 200 per month - 100%.
 - b. R4 201 to R11 000 per month - 50%.
 - c. R11 001 to R18 000 per month - 20%.
- iv. The municipality retains the right to refuse the exemption if the details supplied in the application form were incomplete, incorrect or false.

-
- 13.3 Properties with a market value below a prescribed valuation level of a value to be determined annually by the Municipality may, instead of a rate being determined on the market value, be rated a uniform fixed amount per property.
- 13.4 The extent of the rebates granted in terms of clauses 13.1 and 13.2 must annually be determined by the municipality and included in the annual budget.

14. PAYMENT OF RATES

- 14.1 The rates levied on the properties shall be payable:-
- (a) on a monthly basis; or
 - (b) annually, before 30 September each year.

If the owner of property that is subject to rates, notify the municipal manager or his/her nominee in writing not later than 30 June in any financial year, or such later date in such financial year as may be determined by the municipality that he/she wishes to pay all rates annually, such owner shall be entitled to pay all rates in the subsequent financial year and each subsequent financial year annually until such notice is withdrawn by him/her in a similar manner.
- 14.3 The municipality shall determine the due dates for payments in monthly installments and the single annual payment and this date shall appear on the accounts forwarded to the owner/ tenant/ occupants/ agent.
- 14.4 Rates payable on an annual basis will be subject to a discount of 5% if paid in full on or before 30 September of each year.
- 14.5 Interest on arrears rates, whether payable on or before 30 September or in equal monthly instalments, shall be calculated in accordance with the provisions of the Credit Control and Debt Collection Policy of the Municipality.
- 14.6 If a property owner who is responsible for the payment of property rates in terms of this policy fails to pay such rates in the prescribed manner, it will be recovered from him/her in accordance with the provisions of the Credit Control and Debt Collection By-law of the Municipality.
- 14.7 Arrears rates shall be recovered from tenants, occupiers and agents of the owner, in terms of section 28 and 29 of the Act and the Municipality's credit control and debt collection by-law.

-
- 14.8 Where the rates levied on a particular property have been incorrectly determined, whether because of an error or omission on the part of the municipality or false information provided by the property owner concerned or a contravention of the permitted use to which the property concerned may be put, the rates payable shall be appropriately adjusted for the period extending from the date on which the error or omission is detected back to the date on which rates were first levied in terms of the current valuation roll.
- 14.9 In addition, where the error occurred because of false information provided by the property owner or as a result of a contravention of the permitted use of the property concerned, interest on the unpaid portion of the adjusted rates payable shall be levied at the maximum rate permitted by prevailing legislation.
- 14.10 In the event of rates levied emanating from a supplementary valuation, payment thereof will be according to the date determined by the Municipality and payment thereof may not be withheld pending an objection or appeal as determined by section 78(2) of the Act.
- 14.11 In the event that a property has been transferred to a new owner and rates emanating from a supplementary valuation become due and payable, the owner on date of the levy will be held responsible for the settlement of the interim rates account.
- 14.12 Rates Clearance Certificates will be valid for up to 60 days. No extension on a certificate will be granted. If it expires a new application for clearance must be made.

15. ACCOUNTS TO BE FURNISHED

- 15.1 The municipality will furnish each person liable for the payment of rates with a written account, which will specify:-
- (i) the amount due for rates payable,
 - (ii) the date on or before which the amount is payable,
 - (iii) how the amount was calculated,
 - (iv) the market value of the property, and
 - (v) rebates, exemptions, reductions or phasing-in, if applicable.
- 15.2 A person liable for payment of rates remains liable for such payment, whether or not such person has received a written account from the municipality. If the person concerned has not received a written account, he/she must make the necessary enquiries with the municipality.

-
- 15.3 In the case of joint ownership the municipality shall consistently, in order to minimise costs and unnecessary administration, recover rates from one of the joint owners only provided that it takes place with the consent of the owners concerned.

16. FREQUENCY OF VALUATION

- 16.1 The municipality shall prepare a new valuation roll at least every 4 (four) years.
- 16.2 In accordance with the Act the municipality, under exceptional circumstances, may request the MEC for Local Government and Housing in the province to extend the validity of the valuation roll to 5 (five) years.
- 16.3 Supplementary valuations may be done on a continual basis but at least on an annual basis.

17. COMMUNITY PARTICIPATION

- 17.1 Before the municipality adopts the rates policy, the municipal manager will follow the process of community participation envisaged in chapter 4 of the Municipal Systems Act and comply with the following requirements:-
- 17.1.1 Council must establish appropriate mechanisms, processes and procedures to enable the local community to participate and will provide for consultative sessions with locally recognised community organisations and where appropriate traditional authorities.
