REGISTRATION OF SUPPLIERS ON THE CENTRAL SUPPLIER DATABASE

In terms of Regulation 14(1) of the Municipal Supply Chain Management Regulations, the Accounting Officer must keep a list of accredited prospective providers of goods, services and infrastructure required by the Municipality, to be used for procurement conducted through written or verbal quotations and formal written price quotations.

The Regulation further states that, at least once a year, through newspapers commonly circulating locally, the website of the Municipality, and any other appropriate means, prospective providers of goods, services and infrastructure must be invited to apply for evaluation and listing as accredited prospective providers.

Mafube Local Municipality invites all prospective service providers to register on the Central Supplier Database (CSD). All service providers are requested to visit the Supply Chain Management Office, Office No. 4, 64 JJ Hadebe Street, Frankfort, for assistance with registration. Upon registration on the CSD, your company will be issued with a unique CSD number, which must be used as a reference and stated on all quotations and tenders going forward.

You are therefore requested to register or update your information on the CSD.

Failure to register will result in Mafube Local Municipality being unable to conduct business with your company or entity.

For more information, please contact **Mrs. Manankie Mosia** on 079 896 7496 during working hours (07:30 – 16:30).
